

THE
PARTRIDGE
Good Gut Club

*Epidemic levels of so many conditions
are being recorded:*

*Heart disease, autism, IBS, cancer,
caeliac disease, allergies,
intolerances, acid reflux, dispraxia,
diabetes, etc. Have we become*

what we are eating?

*If any of these conditions affect
you, please join us for a relaxed
but thought provoking evening.*

*Wednesday the 1st of February
2017, start your new year with
new ideas.*

£15 per person

*Highly nutritious 3 course meal
(dairy and gluten free with a vegetarian option)*

01491 839305
