Duhart-Milon-Rothschild, Pauillac ½ bottle 13%

£65.00

The fine wine from Château Duhart-Milon is often described as a classic version of the Pauillac appellation. It has a distinguished and reserved character. Duhart Milon is a Pauillac estate owned by Domaines Barons de Rothschild. The wine chais are located in Pauillac town and the property has a similar climate to that enjoyed by the Médoc: maritime, with the Gironde estuary and the Bay of Biscay combining to act as a climate regulator and the coastal pine forests sheltering the vines from the westerly and north-westerly winds. The vineyards (Cabernet Sauvignon 65%, Merlot 30% and Cabernet Franc 5%) border Lafite Rothschild. Indeed, a very long time ago Duhart Milon was the second wine of Lafite. Vinification includes oak ageing, up to 40% new. Duhart Milon Rothschild is classified as a 4ème Cru Classé.

1998 Vintage: *This dense ruby/purple-coloured blend of 67% Cabernet Sauvignon and 33% Merlot has filled out nicely during its upbringing in wood. It exhibits a fruitcake, cedar, spice box, plum, black raspberry, and currant-scented bouquet, excellent richness, moderate levels of sweet tannin, fine purity, and a complex style. Anticipated maturity: 2005-2020. Produced by the Rothschild's brilliant administrator, Charles Chevalier, Duhart Milon is a wine to watch! 89 Pts Robert Parker, Wine Advocate*

Pontet-Canet, Pauillac 750ml 13%

£130.00

Chateau Pontet Canet is a large Pauillac estate that can trace its origins back to 1725, when Jean-François Pontet gave his name to the estate he had acquired. In 1975 the property was sold to Guy Tesserou, of the Tesserou family, one of the finest exponents of luxury, very old, aged Cognacs. Today, Château Pontet-Canet is owned and run by Alfred and Michel Tesserou. Pontet-Canet's 78 hectares of vineyards adjoin those of Mouton Rothschild and are planted with Cabernet Sauvignon (63%), Merlot (32%) and Cabernet Franc (5%). The Tesserous have vastly improved the quality of the Pontet-Canet wines and they are considered by many to rank with some of the very best coming out of Bordeaux – the vineyards are now farmed 100% Biodynamically. The wines are now full-bodied and packed with ripe, chewy, black fruits and finely integrated tannins. Pontet-Canet is classified as a 5ème Cru Classé.

2003 Vintage: *One cannot say enough about the labors of proprietor Alfred Tesserou, who has personally overseen the dramatic increase in quality of the wines at Pontet-Canet which started in a significant manner with 1994. This is a classic Pauillac-styled wine (meaning oodles of cassis flavors), as one might expect from a vineyard on the plateau of Pauillac, across the street from Mouton-Rothschild. One of the great successes of the vintage and certainly one of the most profound Pontet-Canets made over the last decade is the 2003. Deep purple to the rim with a glorious nose of scorched earth, black currant jam, smoke, licorice, and roasted meats, it is full-bodied, incredibly powerful, dense, with low acidity but high tannin, broad-shouldered, and savory. This is a stunning, pure, classic Pontet-Canet. 95 Pts Robert Parker, Wine Advocate*
